

A Yes, there is. However, the road, by the note on the drawing, from Tom's Creek to the farm buildings, is unimproved. The remainder is improved around the lot.

Bower: Thank you, that is all.

Court: For my own information, what is a concrete nail?

A 2 or 2<sup>1</sup>/<sub>2</sub> inch/<sup>es</sup>long and very high temper/<sup>-ed</sup>steel and it is driven into a hard surface.

Court: It said to a concrete nail.

What is it driven into?

A In this particular case it is driven into blacktop.

Court: I see.
